SUMMARY

Experienced Front-end Developer with 5.5+ years in product-focused environments, excels in translating design concepts into responsive web applications. Seeking to apply strong problem-solving skills and expertise in emerging web technologies for innovative product development. Committed to user satisfaction and high-quality interface design.

EXPERIENCE

Senior Software Engineer

LTI Mindtree Ltd

February 2021 - August 2022, Hyderabad, India

- Overall, 5+ years of experience developing single-page applications using Angular with Typescript.
- Proficient in Angular 2+ and experienced in developing dynamic, interactive web applications using Angular, with a strong focus on modular and maintainable code.
- Extensive experience in building responsive, cross-browser compatible, and mobile-friendly user interfaces that enhance the user experience and ensure consistency across platforms.
- Skilled in working with RESTful APIs and integrating them seamlessly into Angular applications, enabling efficient data retrieval and manipulation.
- Consulting with 508 Compliance professionals during the development of new features to ensure accessibility.
- Hands-on experience creating Services, Modules, Custom Pipes and Directives in Angular.
- Expertise in state management and data flow management, using libraries such as NgRx for effective application-wide data handling and seamless user interactions.
- Proven ability to optimize web applications for performance, using tools like Webpack and lazy loading to reduce load times and enhance user satisfaction.
- Strong problem-solving skills and a track record of successfully overcoming complex technical challenges while maintaining a high standard of code quality and performance.

Software Engineer

Phenompeople Pvt Ltd

November 2016 - February 2021, Hyderabad, India

- Collaborating with designers and other developers to create user-friendly and visually appealing interfaces that meet project requirements and user needs.
- Participated in an agile, collaborative environment across software architecture, understanding both front-end and back-end processes, while specializing in the front-end.
- Hands-on experience in building services, modules, custom pipes, and directives in Angular.
- Contributed closely with visual designers to deliver wireframes from conception to implementation, and Back-end developers to ensure tested and production-ready UI code.
- Wrote code for user interfaces, including interactions, responsive layouts, and styling. Utilized and contributed to the W3DS (Design Standards) to produce optimum user experience.
- Experienced in JavaScript, familiar with the latest syntax (min. ES6), with a proficient understanding of React.js and Node.js. Practiced in UI development technologies such as HTML, CSS, Redux, and API usage.
- Proficient in CSS pre-processors (e.g., SASS or LESS) and a keen eye for UI/UX design, enabling the creation of visually appealing and user-friendly interfaces.
- Collaborative team player with experience in Agile development methodologies, capable of working closely with cross-functional teams to deliver projects on time and within scope.
- Strong communication and documentation skills, allowing for effective knowledge sharing, code reviews, and seamless collaboration with team members and stakeholders.
- Strong leadership and communication skills, enabling seamless collaboration with team members and clients to understand project requirements, provide creative direction, and ensure successful project outcomes.

SKILLS

Technical Skills: Angular 8+, JavaScript, TypeScript, RXJS, ES6, W3C Standards, HTML5, CSS3, Bootstrap, Less & Sass, GIT, JIRA, Karma/Jasmine, Responsive/Mobile Design, Cross-Browser Compatibility, ADA, 508 Compliance, Web Accessibility, Browserstack, NVDA, JAWS

Industry Knowledge: UX/UI, Development Operations, Testing, Debugging, Usability Research, Content Management System, Zeplin, Slack, Microsoft Teams, Windows, Linux & Mac

EDUCATION

Master's in Computer and Information Sciences

Grand Valley State University • Allendale, MI • 2023 • 3.5
